SEND GREETING

And wishes to inform the public of the Southwest that they are prepared to furnish comfortable and pleasant rooms, board and other accommodations for visiting patients coming here for treat-

ment of various diseases.

The city of Wichita is situated in the center of the famed "Italy of America," Southern Kansas, the most salubrious climate in the United States, on the Arkansas river, and easily accessible by

railroads diverging in every direction.

All patients of the Institute are at all times under the charge and direction of Drs. Hall & Bennett, whose constant presence and personal supervision as to diet and other sanitary regulations enable them to perfect cures more rapidly than under other conditions. They politely invite all persons to read this card and give their attention to the following facts: Having located in Wichita two years ago and built up a large practice here and in adjoining towns they have located permanently, and will continue to
